PROFILE

Engineering graduate with a passion for software development and Testing. Eager to apply my strong analytical, problem-solving, and critical thinking skills to enhance my career in Software industry. Skilled in programming languages like Python, Java, CNC programming and software development tools like VSCode, Solid edge etc. I'm a quick learner, highly adaptable, and passionate about Software Industry. During my time at Acharya Institute, I was involved in Extracurricular Activities/Clubs/Projects which helped me develop strong teamwork, communication, and time management skills. In my free time, I enjoy playing cricket,bing watching which helps me relax and stay motivated.
